

**INFO-5100**  
**FINAL PROJECT SNAPSHOTS**  
**COFFEE DAY MANAGEMENT SYSTEM**

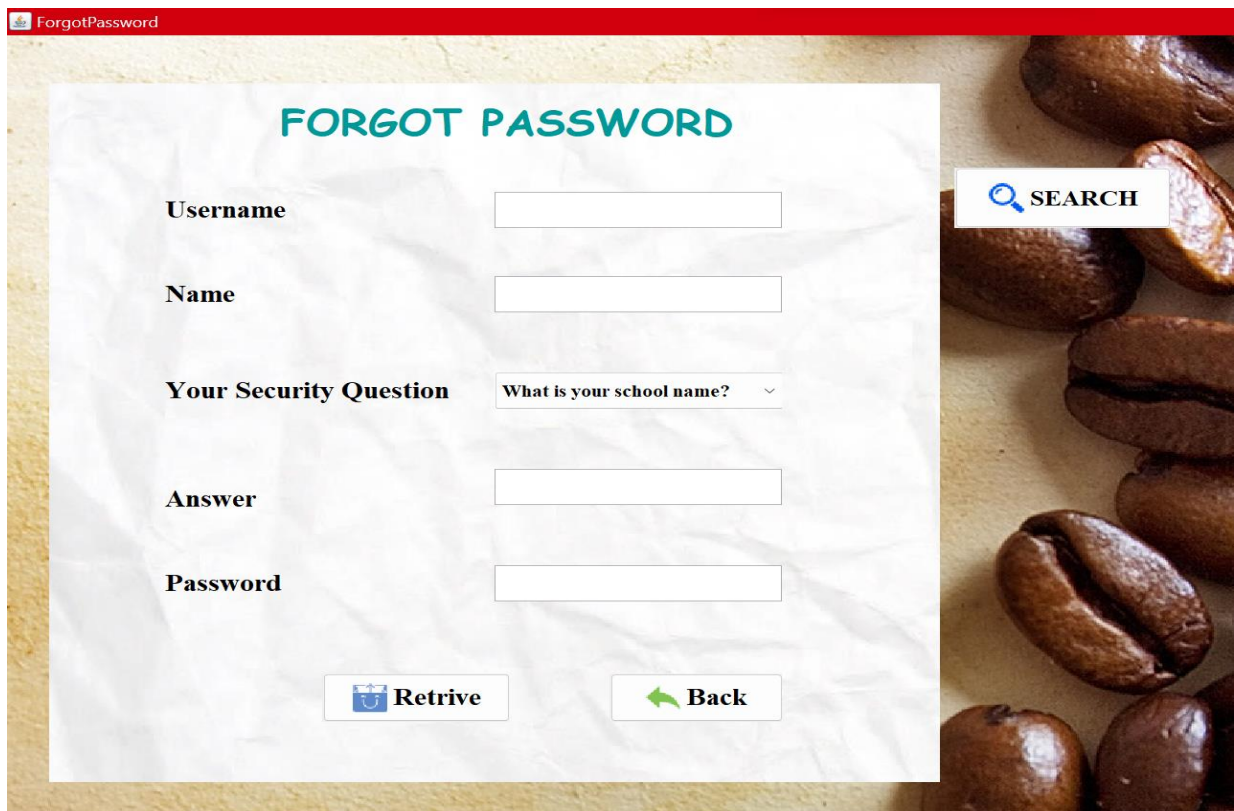

Snapshot 1: On clicking Front screen is directed to login screen

Snapshot 2: On entering username and password, the admin is directed to the Home screen

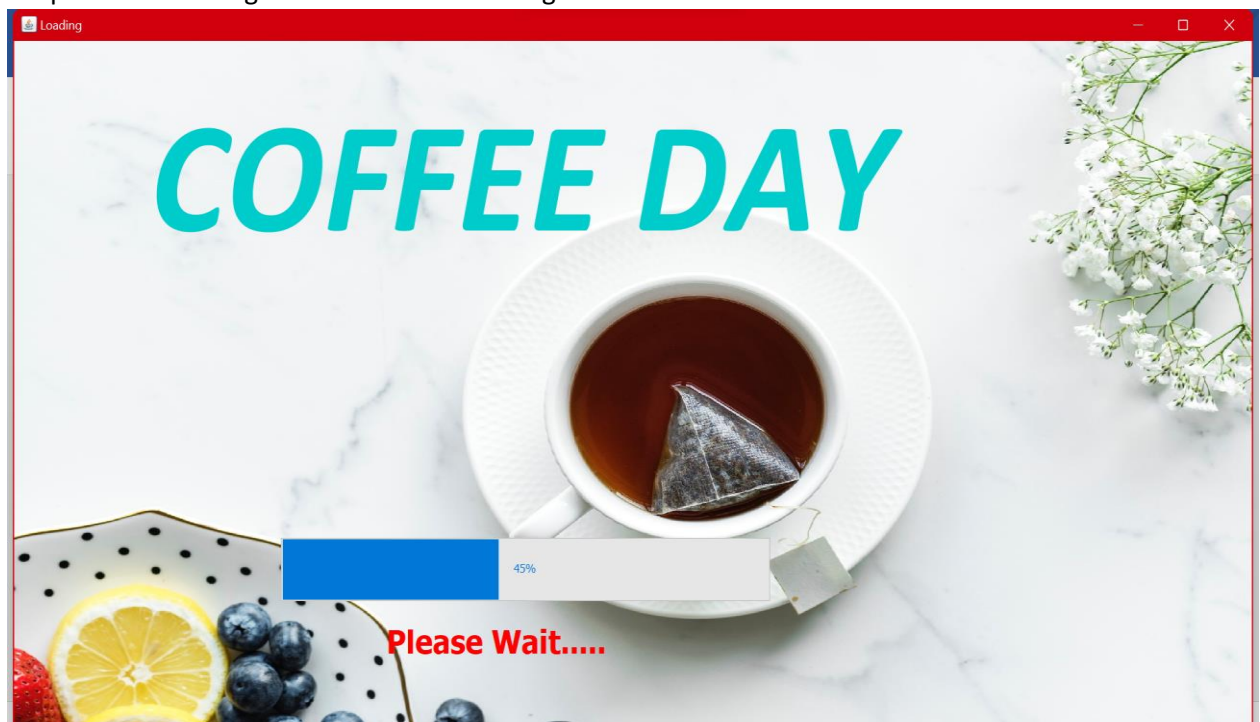

Snapshot 3: On entering the username click on search, on answering the security question click on retrieve and redirects to login screen on clicking the back button

The screenshot shows a web browser window with the title "ForgotPassword". The main content is a form titled "FORGOT PASSWORD" in teal. The form is set against a background of crumpled white paper and coffee beans. It contains the following fields and controls:

- Username**: A text input field.
- Name**: A text input field.
- Your Security Question**: A dropdown menu with the selected option "What is your school name?".
- Answer**: A text input field.
- Password**: A text input field.
- Retrive**: A button with a blue shield icon and the text "Retrive".
- Back**: A button with a green arrow icon and the text "Back".
- SEARCH**: A button with a magnifying glass icon and the text "SEARCH".

Snapshot 4: The Progress Bar indicates the login authentication

Snapshot 12: On entering the Customer Name other fields are autogenerated except Date, Mode Of Payment, Total Amount, Discounts and Grand Total is calculated

The 'Billing' form interface features a red title bar and a wooden background. The word 'BILLING' is displayed in large, stylized blue letters. A 'HOME' button with a house icon is in the top right. The form includes input fields for 'Bill No' (501), 'Order ID' (1), 'Customer Name' (Amegh), 'Customer ID' (1002), 'Date' (2018-12-03), 'Mode Of Payment' (Cash), 'Total Amount' (200), 'Discounts' (40), and 'Grand Total' (120). Action buttons include 'SEARCH', 'VIEW', 'SUBMIT', 'SAVE', 'REFRESH', and 'CALCULATE'. A 'BACK' button with a left arrow is also present. A table on the right shows the following data:

BillNo	OrderID	CustName	CustID	Payment	OrdDate	TotalAmt	Discounts	GrandTotal
501	1	Amegh	1002	Cash	2018-12-04	200	40	120

Snapshot 13: Rating page gives details about the items rating

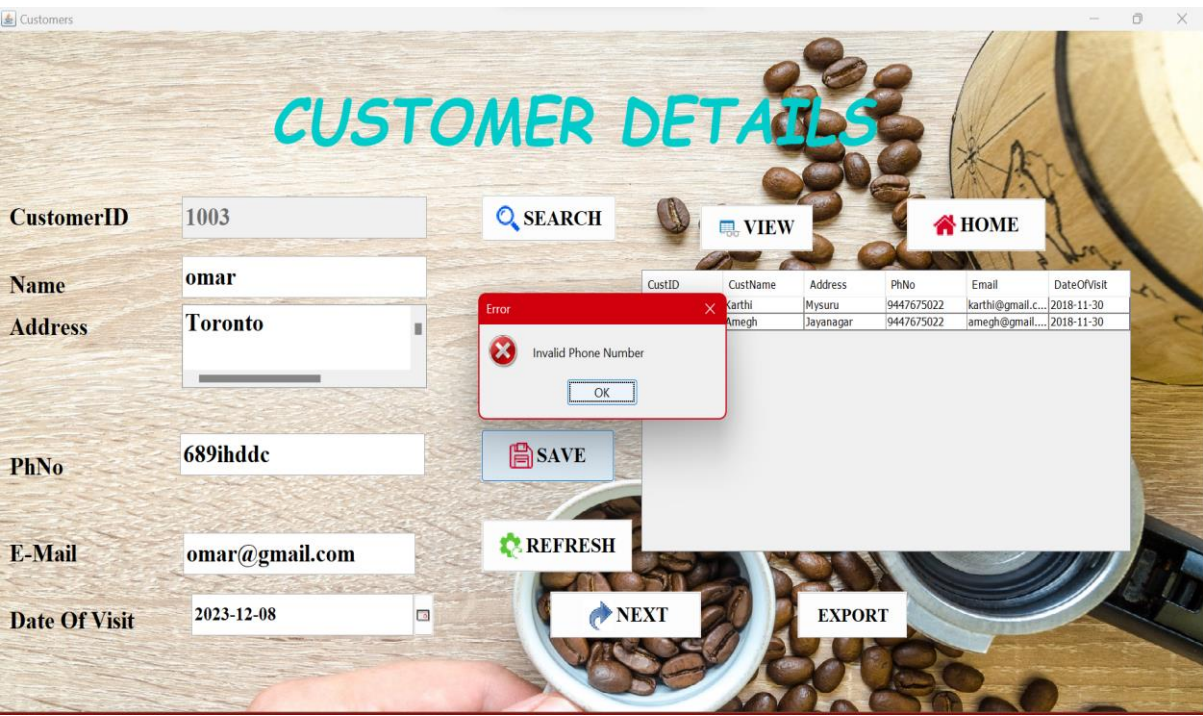

The 'Rating' form interface has a red title bar and a background image of a cup of coffee. The word 'RATING' is displayed in large, stylized blue letters. A 'HOME' button with a house icon is in the top right. The form includes input fields for 'RatingID', 'Item Name' (Orange juice), 'Item ID' (201), and 'Points' (0). Action buttons include 'SEARCH', 'VIEW', 'ADD', 'SAVE', 'REFRESH', and 'DELETE'. A table on the right shows the following data:

RatingID	ItemName	ItemID	Points
----------	----------	--------	--------

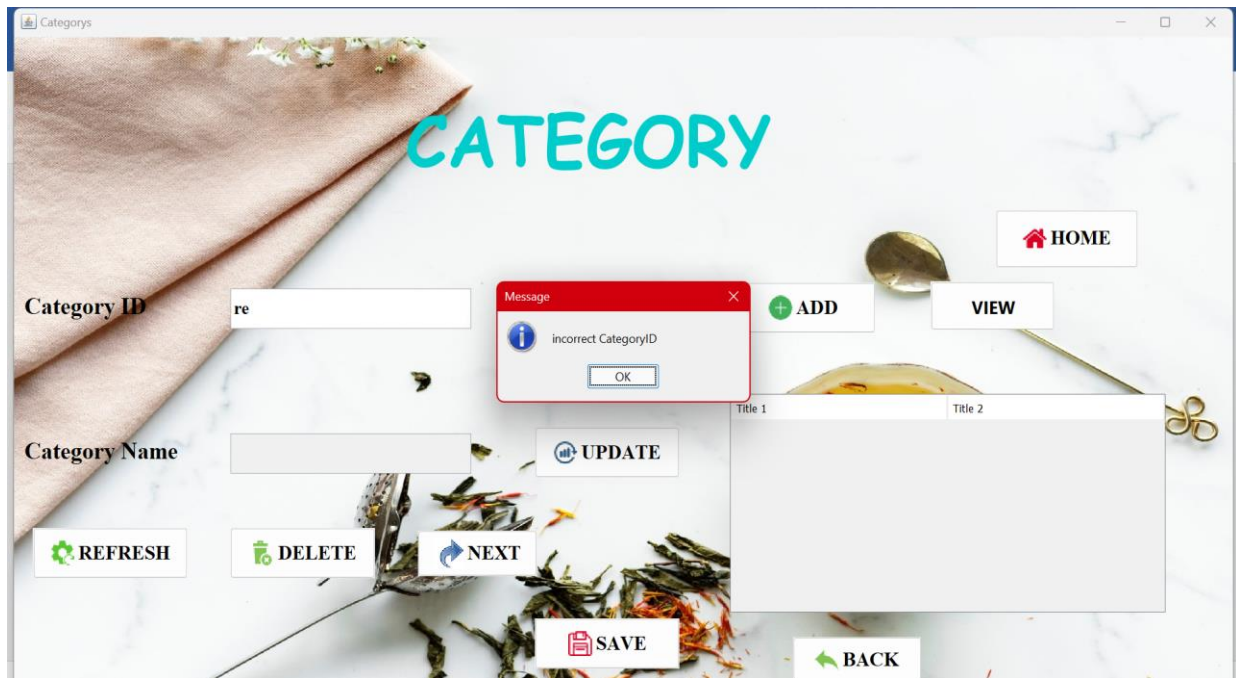

Snapshot 14: The printbill page gives order and billing details of a particular customer
